Obviously there are tons of different gear options to choose from. Our recommendations are the best products that have passed the Alaskan field-test. There is no need to spend a small fortune if you already have quality comparable gear. All gear should be either Camo or of natural earth colors. All of this gear will fit in 1 - 50# duffel + double Rifle case + carryon, so please DO NOT bring too much gear!

* Final trophy prep & expediting can be arranged with Dave Winney of Frontier Taxidermy in Valdez (907-835-5341)
